**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in San Francisco, I'm a consumer and use Sonic as my broadband provider. I have Fiber connection, it's very fast and reliable, and my experience with Sonic has been way better than my previous experience with Comcast. I think it's vital that this remains a competitive space. Having just one or two providers who dominate the entire market stifles innovation. Up and coming businesses with a superior product need to be able to stand a chance.
